# Dreamy®

pulp fruit

*Specially created to satisfy the most discerning consumers, to release all the fantasy of the bartender.*

*Dreamy is a fruit preparation for the bartender to create COCKTAILS, SOFT DRINKS, SMOOTHIES, MILKSHAKES and WATER ICES any time of the year, even when certain fruit is not available.*

*Thanks to the high concentration of flavour, just a small amount is needed for excellent yield of the drink. Dreamy concentrates are exceptionally fluid and easy to mix.*

*The aim of the Dreamy line is to increase and boost the flavour of the final drink, either supporting or replacing blended fruit that is normally used to make the drink.*

*Make an impeccable cocktail to satisfy the customers. Above all be more time efficient. Distillati Group created Dreamy specially for bartenders, who follow the American bartending method and want to create a fantastic drink so fast they will amaze the customers.*
